Description: This is a program design to help at-risk public school students achieve their full potential. This will be achieved through training and assistance in both the public schools and high education's Colleges of Education.

Program Enhancements

12.01 Grow Your Own Idaho Teachers: The Governor recommends \$450,000 in the Scholarships & Grants program to provide 150 scholarships for qualified participants, rather than create a new program. See Decision Unit 12.04 in section 40, page 79 of this document, for additional information.
