

**Self-Gov - Geologists, State Board of
Board of Professional Geologists**

Description:

The Board regulates the professional conduct of Professional Geologists through the adoption of rules and the enforcement of statutes regarding qualifications, professional ethics, and conduct for all professional geologists in the State of Idaho.

Major Functions and Targeted Performance Standard(s) for Each Function:

1. Issue certificates to those applicants who meet all requirements and conditions of Idaho Code.
 - A. Register qualified geologists in Idaho.

Actual Results			
1997	1998	1999	2000
700	711	650	670
