Dear Mr. Hammon:

Idaho Department of Fish and Game appreciates your coordination of the executive agency updated strategic plans that are legislatively mandated. I recognize the strategic plan update is due July 1, 2011.

I am requesting an extension for submission of our updated strategic plan to coincide with our submittal of our Performance Measurement Report (Agency Profile) on September 1, 2011. An extension will allow staff to integrate an updated Business Plan that I have established with review by the Fish and Game Commission. The extension would also assist with aligning new leadership directives in the updated strategic plan with the upcoming Performance Measurement Report and ensure elements of the Strategic Plan and Performance Measurement Report Guide are appropriately addressed.

I appreciate your consideration of this request. If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Virgil Moore". The signature is written in a cursive style with a large, stylized "V" and "M".

Virgil Moore
Director
