

Part I – Agency Profile

Agency Overview

The Idaho Endowment Fund Investment Board (EFIB) is responsible for managing approximately \$2.1 billion of investments consisting of state land grant endowment funds, the financial assets of the State Insurance Fund, the assets of the Judges' Retirement Fund, the assets of the Trail of the Coeur d'Alene's Endowment and the assets of the Ritter Island Endowment Fund.

The EFIB consists of nine individuals appointed by the Governor, including one state senator, one state representative, a public education administrator, and six members of the public "knowledgeable and experienced in financial matters." The EFIB has four employees in its Boise office, including a Manager of Investments who oversees day-to-day operations. Periodic reports of the EFIB's activities and investment performance are made to the Board of Land Commissioners, the manager of the State Insurance Fund, representatives of the Supreme Court, and the Department of Parks and Recreation (Parks & Rec).

The EFIB's expenses are not paid from General Funds, but are reimbursed by its clients: the land grant endowment funds, the State Insurance Fund, the Ritter Island Endowment Fund and the Trail of the Coeur d'Alenes Endowment, and, until FY 2015, the Judges' Retirement Fund.

Core Functions/Idaho Code

Land Grant Endowment Funds – Essentially all revenue from state endowment lands are transferred to the EFIB by the Idaho Dept. of Lands for investment under policies established by the Board of Land Commissioners. In turn, the EFIB, based on a Distribution Policy approved by the Board of Land Commissioners, makes monthly distributions to thirteen beneficiaries, the largest of which is a public school fund (Title 57, Chapter 7, *Idaho Code*). Annual distributions of income for a fourteenth beneficiary, the Capitol Commission, are determined by the EFIB (Title 67, Chapter 16, *Idaho Code*).

State Insurance Fund – The EFIB, under policies approved by the State Insurance Fund, invests the surplus and reserve funds established to pay worker's compensation claims insured by the State Insurance Fund. (Title 72, Chapter 9, *Idaho Code*)

Judges' Retirement Fund – Under supervision of the Supreme Court, through the end of FY 2014, the EFIB oversees investment of a fund to pay retirement compensation to Supreme Court justices and judges of the Court of Appeals and District Courts. Effective July 1, 2015, responsibility for investing these funds is expected to transfer to the Public Employee Retirement System. (Title 1, Chapter 20, *Idaho Code*)

Parks & Rec Endowment Funds – The EFIB oversees investment of an endowment that supports the maintenance of the Trail of the Coeur d'Alenes, a recreational rail trail, and one that supports management of the Ritter Island Unit of the Thousands Springs State Park. Asset mix and distributions of income are determined by Parks & Rec. (Title 57, Chapter 7, *Idaho Code*).
