

Part 1 – Agency Profile

Agency Overview

The Board of Nursing, created in 1911 by legislative action, is a self-governing regulatory agency charged to “safeguard the health, safety and welfare of the citizens of Idaho through regulation of nursing practice and nursing education”. Board membership is defined in statute (Idaho Code 54-1403) and includes one (1) advanced practice registered nurse; five (5) licensed professional/registered nurses; two (2) licensed practical nurses; and one (1) consumer. Board members are appointed by the Governor to serve 4-year terms, and may be reappointed to serve up to three consecutive terms. The nine-member Board, which meets quarterly to conduct their business, annually elects from its membership, a chairman and vice chairman who facilitate Board processes. Susan Odom, PhD, RN, Moscow is the current Board Chairman, Randall Hudspeth, RN, NP, CNS, Boise is the Vice-Chair. Other members include Vicki Allen, RN, Pocatello; Janine Baxter, RN, Post Falls; Jill Howell, RN, Jerome; China Gum, Consumer, Meridian; Shirlee Meyer, RN, Meridian; Carrie Nutsch, LPN, Jerome, and Rebecca Reese, LPN, Post Falls.

The Board employs Sandra Evans, MAEd, RN, Executive Director, to assist in accomplishment of their Mission and strategic goals, to implement Board actions, and to direct the day-to-day operations of the Board of Nursing. The executive director employs additional personnel necessary to administer provisions of the Nursing Practice Act and administrative rules of the Board, including an associate director for practice and education, a director for professional compliance, a management assistant and 5 additional support staff.

Day-to-day operations of the Board include:

- Licensure of licensed practical nurses (LPN), professional/ registered nurses (RN) and advanced practice professional nurses (APPNs) by examination, interstate endorsement, reinstatement and biennial renewal; and certification and recertification of medication assistants
- Processing of fingerprint-based criminal background checks for initial and reinstatement licensure and certification applicants
- Receipt and investigation of complaints of violation of the Nursing Practice Act
- Imposition of sanctions against the licenses and certificates of those who are found to have violated provisions of the Act and administrative rules
- Review and approval of new and established educational programs preparing nurses and medication assistants for licensure and certification
- Assessment of the continued competence of nurses and medication assistants credentialed in Idaho
- Responding to requests for information related to credentialing, practice, education and governance
- Management of outside contracts for service and operations, including: contracts for monitoring nurses enrolled in the Program for Recovering Nurses; for historical and on-going reporting to the federal Health Integrity and Protection Data Bank (HIPDB) and the National Practitioner Data Bank (NPDB), maintenance of provisions of the Idaho Patient Freedom of Information Act; for use of the National Council Licensure Examination for Registered and Practical Nurses, the examination used by all of the United States and territories for initial nurse licensure; for legal counsel through the Attorney General’s office; and for licensure data sharing with the Department of Labor
- Management of provisions of the Nurse Licensure Compact, which allows for mutual recognition of state nurse licensure between the 24 member states
- Facilitation of activities of Board advisory committees and task forces

The Board of Nursing is supported entirely by revenue generated through licensure, certification, and related fees, receiving no monies from the state’s General Fund.

The office of the Board of Nursing is located in Boise at 280 North 8th Street, Suite 210. Information about the Board is available on the Board’s website at www.ibn.idaho.gov.
