

Part I – Agency Profile

Agency Overview

The Lava Hot Springs Foundation was created in 1919 to administer the State property granted to the state by the U.S Government in and around the city of Lava Hot Springs. It is governed by a five-member Board of Directors appointed by the Governor to six-year terms. Devanee Morrison serves as Executive Director overseeing the 15 full-time classified employees and 110 temporary and seasonal workers who operate and maintain this world-class hot springs and recreational facility. The revenues generated by ticket sales, rentals, and retail sales provide for the operation and maintenance of the approximately 180 acres deeded to the State by the Federal Government in 1902.
