

Idaho General Fund Revenue Report

Brad Little, Governor Lori Wolff, Administrator Division of Financial Management Executive Office of the Governor

June revenue: reported Wednesday 31st July, 2024

une revenues were strong; Idaho payments. surplus. Similar to last year, our graph. Growth in withholding reforecast for fiscal year 2024 was mains strong. It grew from \$1.9 b to within 1.0% of actual. There were \$2.1 b. Idaho has had a string of inmore than \$500 m in new sales tax come tax rate reductions, with the diversions this fiscal year. This lead latest being from 5.8% to 5.695% to general fund deposits being down starting in calendar year 2024. 9.8% compared to last year.

ales tax reliably tracked forecollected \$1.82 b; the actual differvear. In June we expected \$191 m and collected \$192 m. For fiscal vear 2025 there will be an additional \$150 m in sales tax diversions.

ndividual income tax proved I more difficult to forecast this fiscal year. We expected \$2.29 b and collected $\$2.23\,\mathrm{b}$, for a 2.7%miss (\$62.4 m soft). Individual income tax was volatile in the final quarter of fiscal year 2024 due to variation in the timing of refund

This volatility is reends the year with a \$52.5 m flected in the April–June bars in the

Y orporate income tax accruals in fiscal year 2024 were \$867 m, cast. We predicted \$1.83 b and 11.7% above the forecast of \$776 m. Due to weak corporate tax perforence was under \$2.5 m this fiscal mance in the first half of the fiscal year, within our January revenue update, the corporate tax forecast was lowered by a bit over \$71 m.

> **X** 7 hen combined, overall income taxes came in 0.9% above forecast for the fiscal year, as our errors were partly offsetting.

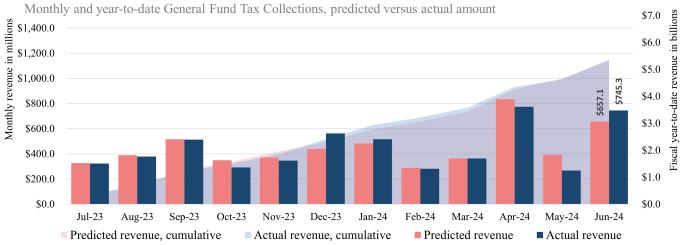

roduct taxes remain largely on track. Our prediction for the fiscal year was for \$72.7 m and we collected \$73.1 m. This re-

On flects a 0.6% upside miss. the month, product taxes came in \$0.5 m stronger than forecast.

iscellaneous revenue came in M above forecast on the fiscal year. In June it was \$19.2 m above the prediction, closing the year \$25.6 m above expectation. Some of the difference was stronger than forecast growth in online sales tax revenue, which first goes to the tax relief fund. All but \$36 m of the that fund reverted to the general fund at the end of the fiscal year. Next year, a fifth of the tax relief fund is directly diverted to the school district facility fund, and \$39 m, up from \$36 m, goes towards public defense.

he August edition of this report will incorporate an updated revenue forecast; that forecast will include these and other changes.
