

## Part I – Agency Profile

### Agency Overview

The Office of Performance Evaluations (OPE), created in 1994, is a nonpartisan, independent office that serves the Legislature's information needs by conducting performance evaluations of state agencies and programs. The mission of OPE is to promote confidence and accountability in state government through these evaluations. Findings, conclusions, and recommendations from OPE evaluations are used by the Legislature to make policy and budget decisions and by agencies to improve performance.

Performance evaluations include assessing whether

- agencies or programs are complying with applicable laws and legislative intent;
- services are provided efficiently and cost-effectively; and
- programs and services are achieving intended results.

OPE works under the direction of the bipartisan Joint Legislative Oversight Committee (JLOC). The office is authorized for eight full-time equivalent positions and has six full-time and two part-time staff.
