

Part I – Agency Profile

Agency Overview

The Department of Insurance is a regulatory agency created to regulate the business of insurance in Idaho. State regulation of Idaho's insurance business began in 1901, and in 1961 the Insurance Code was expanded and recodified into Title 41, Idaho Code. When the Executive branch of state government was reorganized in 1974, the Department of Insurance became one of the 20 major departments of the Executive branch. The director of the department is appointed by the governor and is subject to confirmation by the state senate.

The mission of the Department of Insurance is to equitably, effectively, and efficiently administer the Idaho Insurance Code and the International Fire Code. The Department is organized into two divisions: the State Fire Marshal's Office and the Insurance Regulation Division. The State Fire Marshal's Office participates in and coordinates an integrated statewide system designed to protect human life from fire and explosions through fire prevention, investigation, and public education activities. The program involves fire prevention activities, fire/arson investigations, code enforcement, and the operation of the Idaho Fire Incident Reporting System. The State Fire Marshal's Office provides assistance to local fire agencies throughout the state. The Department's Insurance Regulation Division consists of the following three regulatory bureaus and one section overseen by a deputy director: the Company Activities Bureau, the Consumer Services Bureau, the Product Review Bureau, and the Information Technology Section. The Company Activities Bureau (CAB) monitors the financial condition of all insurance entities domiciled in the state of Idaho to assure that each complies with Idaho law and that the financial obligations of the company to its policyholders will be met. The CAB reviews all applications of insurers and qualifying self-funded healthcare plans seeking to do business in this state to determine eligibility for a certificate of authority to transact insurance or eligibility for registration as a self-funded healthcare plan. The CAB also collects premium taxes and audits insurance premium tax returns, licenses producers, adjusters, and third party administrators, administers the applicable continuing education program for the resident producers and adjusters, regulates title agencies, and performs market analyses and examinations of insurers and self-funded plans doing business in Idaho. The Consumer Services Bureau (CSB) researches consumer and industry complaints and provides assistance to consumers, the insurance industry, and law enforcement agencies on matters involving insurance contracts and potential violations of the insurance code. The CSB is also responsible for investigating criminal and civil violations of insurance laws and referring cases involving criminal or administrative violations of the Idaho Code to the Attorney General or appropriate county prosecutor when applicable. Also within the CSB is Idaho's Senior Health Insurance Benefits Advisors (SHIBA) program that provides free, unbiased information, counseling, and assistance on Medicare coverage issues to Idaho's senior citizens through a network of professional staff, over 100 volunteers, and a call center staffed to service a toll-free telephone line. The Product Review Bureau (PRB) reviews insurance policy and self-funded rates and forms. The PRB meets the effective rate review standards for individual and small group health insurance markets, retaining state-level regulatory authority. The PRB supports the Idaho Health Insurance Exchange (Your Health Idaho) in fulfilling the plan management requirements and in reviewing and certifying health plans that meet the Qualified Health Plan (QHP) standards. The Information Technology Section provides computer-related support for the entire agency under the guidance of the Deputy Director. The Office of the Attorney General provides four dedicated employees, three attorneys and one paralegal, to provide day-to-day legal services to the department.

The main office of the Idaho Department of Insurance is located on the third floor of the JR Williams Building in Boise. The department also has offices in Pocatello, Idaho Falls, and Coeur d'Alene (CdA). The department has been appropriated 73.5 FTE (full time equivalent) personnel for FY 2017. The State Fire Marshal has five FTE in Boise, two FTE in Idaho Falls, and two in CdA. The Insurance Regulation Division has two SHIBA FTE and one consumer affairs FTE in Pocatello and two SHIBA FTE and one consumer affairs FTE in CdA.

While the department collects more than \$80 million in Premium Taxes from insurance companies, none of those funds are used to support agency operations. The agency is funded entirely by fees collected for licensing insurance producers and companies doing business in Idaho.
