Part I - Agency Profile

Agency Overview

The Idaho Commission on Aging (ICOA) administers state and federal programs for seniors and persons with disabilities in accordance with Idaho Code, Title 67, Chapter 50, Idaho Senior Services Act (SSA); Title 39, Chapter 53, Adult Abuse, Neglect, and Exploitation Act; Idaho Administrative Procedures Act, (IDAPA) 15.01; and the Older Americans Act (OAA) of 1965, as amended.

The Governor appointed Judy Taylor as ICOA Administrator, and the Senate confirmed the appointment during the 2017 Legislative session. The Governor also appoints a Board of Commissioners made up of seven members who represent geographical regions across Idaho. The ICOA was originally called the Office on Aging when it was established in 1968 under the Office of the Governor and continues to provide a broad array of statewide services and supports to improve the quality of life for seniors and persons with disabilities. These services allow Idahoans to retain their autonomy and to determine their own life course as they age.

Core Functions/Idaho Code

The ICOA's core functions are to:

- Administer OAA and SSA programs and promulgate, adopt, amend and rescind rules affecting senior services.
- Advocate for older Idahoans within state government, community, and long-term care facilities and serve
 as an advisory body regarding state legislative issues.
- Conduct public hearings and program evaluations to determine the health and social needs of older Idahoans and determine the public and private resources to meet those needs.
- Designate Planning and Service Areas (PSA) and Area Agencies on Aging (AAA) in accordance with the OAA and federal regulations. ICOA reviews the boundaries of the PSAs periodically and changes them as necessary.
- Contract with AAAs and other providers to implement senior services within the PSAs:
 - The AAAs are responsible for planning within their PSAs and issuing service contracts at the local level. Below are the services delivered by the AAAs through contracts (direct services) and those they provide themselves (in-house services).
 - Direct Services: Transportation, Congregate Meals, Home Delivered Meals, Homemaker, Inhome Respite, Adult Day Care, and Legal Assistance.
 - In-house Services: Adult Protection, Case Management, Information & Assistance (I&A), and Ombudsman.
- Contract with Experience Works to provide Senior Community Service Employment Program (SCSEP) statewide.
