

## Part I – Agency Profile

### Agency Overview

Founded in 1933, North Idaho College (NIC) is a comprehensive community college located on the stunning shores of Lake Coeur d'Alene. NIC offers degrees and certificates in a wide spectrum of academic transfer and career and technical education programs.

NIC's beautiful main campus is located in Coeur d'Alene, Idaho, a lakeside city in Kootenai County with a growing population of over 157,000. The greater Spokane, Washington-Coeur d'Alene, Idaho area has more than 620,000 residents. The college also serves its five-county region through outreach centers in Bonners Ferry, Kellogg, and Sandpoint, as well as through online offerings. NIC plays a key role in the region's economic development by preparing competent, trained employees for area businesses, industries, and governmental agencies.

### Core Functions/Idaho Code

North Idaho College is a two-year community college as defined by Idaho Code 33, Chapter 21 and 22. The core functions of North Idaho College are to provide instruction in academic courses and programs and in career and technical courses and programs. As a part of career and technical education, the college also offer workforce training through short- term courses, contract training for business and industry, and non-credit, special interest courses.

As a second core function, the college confers the associate of arts degree and the associate of science degree for academic programs, and confers the associate of applied science degree and certificates for career and technical programs. Students obtaining an associate of arts or an associate of science degree can transfer with junior standing to all other Idaho public colleges and universities.
