

## Part I – Agency Profile

### Agency Overview

The Idaho Endowment Fund Investment Board (EFIB) is responsible for managing \$3.4 billion of investments consisting of the State of Idaho Endowment Fund, the financial reserves of the State Insurance Fund, and endowments for Idaho Parks and Recreation, Idaho Department of Environmental Quality, Idaho Department of Lands, and Idaho Department of Fish & Game.

The EFIB consists of nine individuals appointed by the Governor. The board includes one state senator, one state representative, a public education administrator, and six members of the public who are “knowledgeable and experienced in financial matters.” The EFIB has four employees in its Boise office, including a Manager of Investments who oversees day-to-day operations. Monthly reports of the EFIB’s activities and investment performance are made to the Board of Land Commissioners and other clients. The EFIB’s expenses are not paid from General Funds.

### Core Functions/Idaho Code

**Land Grant Endowment Funds** – Revenue from state endowment lands are transferred to the EFIB by the Idaho Dept. of Lands for investment under policies established by the Board of Land Commissioners. In turn, the EFIB, based on a Distribution Policy approved by the Board of Land Commissioners, makes monthly distributions to thirteen beneficiaries, the largest of which is the Public School Fund (Title 57, Chapter 7, *Idaho Code*). Annual distributions of income for a fourteenth beneficiary, the Capitol building, are determined by the Capitol Commission (Title 67, Chapter 16, *Idaho Code*).

**State Insurance Fund** – The EFIB, under policies approved by the State Insurance Fund, invests the surplus and reserve funds established to pay worker’s compensation claims insured by the State Insurance Fund. (Title 72, Chapter 9, *Idaho Code*)

**Parks & Recreation Endowment Funds** – The EFIB provides investment management services to support two parks in the state. Distributions are determined by Parks & Rec. (Title 57, Chapter 7, *Idaho Code*)

**Department of Environmental Quality Endowments** – The EFIB provides investment management services to DEQ in support of the Silver Valley environmental cleanup. Distributions are determined by the Department of Environmental Quality. (Title 57, Chapter 7, *Idaho Code*)

**Department of Fish & Game Wildlife Mitigation Endowment Funds** – The EFIB provides investment management services to Fish & Game to support the maintenance of land acquired to enhance wildlife habitat. Distributions are determined by the Department of Fish and Game. (Title 57, Chapter 7, *Idaho Code*)

**Idaho Department of Lands Forest Legacy** – In FY19, the EFIB began providing investment management services to Idaho Dept. of Lands for the Forest Legacy Program, a federal program administered in partnership with the states using Land and Water Conservation Fund money (Uniform Conservation Easement Act, Title 55, Chapter 21). Distributions are determined by the Idaho Dept. of Lands. (Title 57, Chapter 7, *Idaho Code*)
