12.06	Increase in Federal Fund Spending Authority							TRFD
<p>The Governor recommends ongoing and one-time federal fund spending authority to invest in vehicle and highway traffic safety programs and address public transportation needs in areas that are either underserved or unmet. Spending authority will also align with available funding from the Infrastructure Investment and Jobs Act for the State Planning and Resource Program and increase the visibility and functionality of Idaho historical markers and signs. The \$616,000 in federal spending authority for the State Planning and Resource Program is in addition to the \$2,187,200 supplemental for the same program, making the total \$2,803,200 over FY 2023 and FY 2024.</p>

The Governor recommends removing 36.0 FTP and \$3,902,800 dedicated fund spending authority to migrate the Idaho Transportation Department's (ITD) data center and IT support services to the Office of Information Technology Services due to ITD's move to the Chinden Campus and their need to rebuild their data center and centralize IT services.
