* Estimated Vacate Date – there may be times when the date for the last estimated vacated date is not known for a position. Currently, this is happening when an employee transfers to another state agency or is promoted within an agency and the position is not filled on the current work assignment. When this happens, the report will generate a “Jan 1, 1900” date.

** Pay Rate = \$0.00 – a zero dollar amount will appear when there has not been a state employee previously in this position.
