Explain the request and provide justification for the need.

This request is for 1 FTE for a Human Resources Specialist Senior position to support the Idaho Department of Parks and Recreation and Lava Hot Springs.

IDPR currently has 183.8 FTE across the state, with an additional 7 positions being requested this upcoming budget year. During the busy season, IDPR hires approximately 250 seasonal staff and almost 400 volunteers that support 27 State Parks every year.

Lava operates with roughly 150 employees. Historically, the Management Assistant at Lava Hot Springs handled much of the HR-related tasks. However, there is a need to provide professional level HR services to Lava Hot Springs to supplement the support provided by the Management Assistant.

DHR currently only has 2 human resource positions supporting IDPR and Lava Hot Springs- one Human Resource Officer and one Human Resource Specialist, for the nearly 600 employees (FTE plus temps/seasonals) at peak season.

In addition, Idaho has an ever-growing population and given the popularity of recreation in this State, IDPR is constantly expanding due to demand and routinely being asked to take on new parks/entities, which of course means additional staff. The agency is planning to add 450 campsites at differing locations throughout the State, including: Eagle Island (Eagle), Thousand Springs (Hagerman), Henrys Lake (Island Park), Farragut (Athol), Land of Yankee Fork (Challis), Trail of the Coeur d'Alene's and Mowry. This results in more employees and more statewide HR support needed. Other areas may come up as potential locations are identified as having significant cultural, recreational, or historical significance and may be brought on under the management of IDPR. These additional locations will increase staffing and volunteer needs throughout the year.

The current HR team is at capacity with the current workload and is requesting an additional FTE to support the staffing and support needs for the agencies.

If a supplemental, what emergency is being addressed?

This is not a supplemental request.

Specify the authority in statute or rule that supports this request.

The Division of Human Resources provides Personnel Management to all Executive Agencies within Idaho State Government. Authority can be found in IC Title 67 Chapter 53.

Indicate existing base of PC, OE, and/or CO by source for this request.

Funding for this position will be provided by the DHR fund. Spending authority in PC for this position is being requested.

What resources are necessary to implement this request?

The Division of Human Resources has requested an additional FTE and spending authority for this position.

List positions, pay grades, full/part-time status, benefits, terms of service.

1 fulltime benefitted permanent classified position, pay grade M.

Will staff be re-directed? If so, describe impact and show changes on org chart.

No

Detail any current one-time or ongoing OE or CO and any other future costs.

Ongoing spending authority for the total personnel costs, including benefits of \$101,527 and one-time capital outlay and operating expense request of \$4500 for computer and office equipment.

Describe method of calculation (RFI, market cost, etc.) and contingencies.

Personnel costs based on 90% of policy with added benefit costs.

Provide detail about the revenue assumptions supporting this request.

DHR is funded through a fee collected from agencies who are supported by DHR. These fees are an approved SWCAP expense and put in a fund. DHR is requesting spending authority from the DHR fund to support this position.

Who is being served by this request and what is the impact if not funded?

This position will directly support the Idaho Department of Parks and Recreation and Lava Hot Springs in recruitment, onboarding, and employee relations for permanent, seasonal, and temporary staff.

Part I – Agency Profile

Agency Overview

The Division of Human Resources (DHR) is responsible for the administration of the State of Idaho personnel system. DHR provides a system for classified state employees to be examined, selected, retained, promoted, and compensated on the basis of merit and their performance of duties.

The Division Administrator advises the Governor on employee compensation changes and other human resource management issues. The Division provides administrative support to the Idaho Personnel Commission (IPC) which focuses on formal hearings to resolve employment related disputes.

DHR is a dedicated fund agency. Agencies pay a percentage of their regular employee payroll for DHR services. These services include:

- Review of Idaho Code on Human Resources and proposed legislative changes;
- Statewide human resource policy formulation and interpretation;
- Statewide compensation plan and evaluation of state job classifications;
- Facilitation of agency partnerships;
- Review audits of agency HR functions to ensure compliance with federal and state requirements;
- General HR consultation to assist with minimizing risk of employee relations issues;
- Development of annual Change in Employee Compensation (CEC) report;
- Employee, supervisor, and leadership training;
- Perform statewide recruitment;
- Assist executive state agencies with employee relations, complaints, and related investigations;
- System administration for Luma Human Resources Functions.
- Conduct cybersecurity and phishing training for executive branch employees.

During FY 2022, Governor Little presented and recommended implementation of the HR Modernization initiative. This initiative was implemented June 11, 2023, for Fiscal Year 2024. DHR is now comprised of 161 HR professional employees from 25 state agencies. DHR central office provides effective and consistent policies, processes and best practices in human resource services delivered to all executive state agencies.

Core Functions/Idaho Code

Idaho Code Title 67, Chapter 53, establishes the Division of Human Resources in the Office of the Governor. DHR is authorized and directed to administer a personnel system, including provision of personal and professional training, for classified Idaho state employees.

Idaho Code Title 59, Chapter 16, directs agencies in the executive department with non-classified positions, to the extent possible, to pay salary and wages similar to classified positions in consultation with DHR.
