Division Description Request for Fiscal Year: 2026

Agency: Division of Career Technical Education 503

Division: Division of Career Technical Education CT1

Statutory Authority: Chapter 22, Title 33, Idaho Code

Idaho Division of Career Technical Education (IDCTE) consists of six appropriation units:

#### EDEA - Administration -

Includes agency staff located in Boise that provide administrative, leadership and technical assistance to Idaho's career technical educational (CTE) system through the implementation of a number of CTE and Adult Education programs. These programs prepare Idaho's youth and adults with skills required to perform successfully in a high skill and high demand workforce. Funding sources include: General Funds and Federal funding sources.

## EDEB - Secondary and General Programs -

Provides general support to both secondary and postsecondary programs and primary support to secondary programs while continually working to make sure our programs meet industry and labor market demands. Programs include secondary and postsecondary pathway and course alignment, SkillStack microcredential/badging, career technical student organizations, student BASIC training, Student Day at the Legislature and Joint Student Leadership activities. Funding sources include: General Fund, Federal, Miscellaneous Revenue and Agriculture and Natural Resources funding.

#### EDEC - Postsecondary -

Provides funding and support for Idaho's technical college system.

These programs support students, whether transitioning from secondary programs or in the current workforce, with opportunities to obtain industry recognized certificates of value or two-year applied technical degrees. General Fund spending authority supports personnel, operating, and capital outlay costs to Idaho's six technical colleges. Funding sources include: General Fund and Federal funding sources.

#### **FDFD** - Educator Services -

Includes secondary and postsecondary educator certifications and professional development, including: Teacher Education, InSpIRE Ready!, Connect Summer Conference and Leadership Institute. Funding sources include: General Fund, Federal funding sources, and miscellaneous revenue (Dedicated Fund).

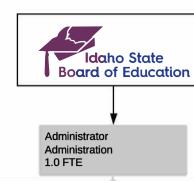

## EDEJ - Related Programs -

Includes robust adult education programs, general educational development (GED), Workforce Training Centers, Centers for New Directions, Apprenticeships, Fire Service Training and Hazardous Materials Enforcement Training. funding sources include: General Fund, Displaced Homemaker, Hazardous Materials, Federal and Miscellaneous Revenue.

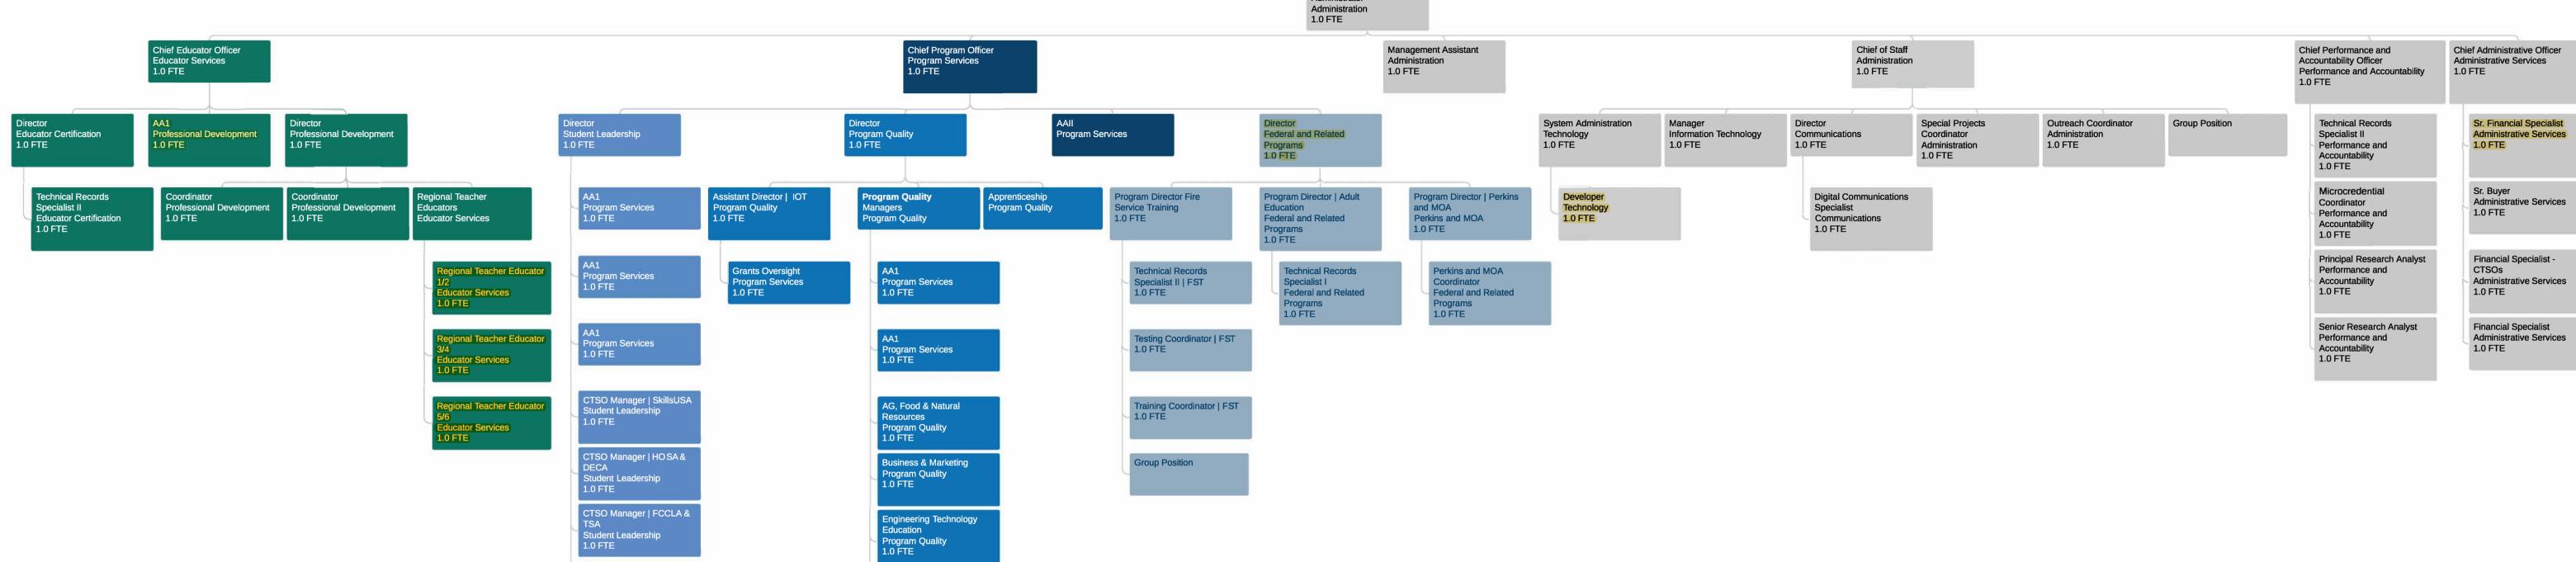

#### EDEK - Other Services -

Supports motorcycle safety training programs through the College of Southern Idaho. Funds are available through a dedicated fund. These funds are continually appropriated.

Fund: Displaced Homemaker Account

21800

# Sources and Uses:

In 1982, the Legislature established a \$20 fee to be assessed on all divorces filed in Idaho (§39-5009, Idaho Code). The fee is collected by the court and remitted to the state treasurer. These dedicated funds must be appropriated by the Legislature on Moneys are expended from this fund to establish multipurpose service centers for displaced homemakers (§39-5003, Idaho Code). The Centers for New Directions are located at each of the six technical colleges in Idaho include the following services:

Agency: Division of Career Technical Education

503

Fund: Federal (Grant) 34800

## Sources and Uses:

The Division is statutorily (Section 33-2201, Idaho Code) responsible for the acceptance and distribution of funds received through federal grant programs for the purpose of career technical education. The State Board for Career Technical Education was created in 1919 as part of the state's efforts to implement the Smith-Hughes act and any amendments thereto. The current program is reference as the Carl D. Perkins Career and Technical Education act of 2006 Basic State Grant. Since the 1919 enact, the Division was also made responsible for programs and funds that make up the Adult Education and Family Literacy Act of 1973. The Adult Education program was folded into the Workforce Innovation and Opportunity Act in 2015.

Note:

Agency: Division of Career Technical Education

503

Fund: Miscellaneous Revenue 34900

# Sources and Uses:

Registration fees collected from educators, local education agencies and technical colleges for attending the Divisions annual summer conference. The summer conference provides professional development and training for all CTE educators from secondary classroom teachers to postsecondary CTE administrators. Additional miscellaneous revenue is received from local education agencies for offsetting the costs of the annual student leadership conference, Basic, and from educational partners to help offset the cost of the conferences.

In 2014, the Legislature established the Quality Program Standards Incentive Grant Fund in the state treasury (§33-1629(1)(c), Idaho Code). Moneys in fund derive from appropriated, allocated, or donated funds for Idaho Quality Program Standards Incentive The Idaho Quality Program Standards Incentive Grant was created to support an inventive grant program for instructors of agricultural and natural resource programs offered in any grade 9 through 12 where such programs meet or exceed the standards established.

## Explain the request and provide justification for the need.

The general funds distributed to the six technical colleges for the purpose of postsecondary career technical education programs are appropriated through the Division of Career Technical Education. The technical colleges have seen a steady increase in interest from students within their regions as well as statewide creating capacity issues for existing programs and limiting growth in new programs. For many programs, due to limited capacity, many students have to be turned away or redirected to other programs or other institutions. As part of the state budgeting process, the Division asks the technical colleges to submit their top requests in priority order. This year the technical colleges all placed expansion of programs as their top priority. The request consists of the highest priority position/program identified by the technical colleges and two position that will be used as rapid response positions that the technical colleges can use on a limited bases to expand or start up new sections/programs that have been identified outside of the budget request timelines while they go through the process to request ongoing funding for the positions in out years. The FTE will then be recycled and available for use by another technical college.

## If a supplemental, what emergency is being addressed? NA

## Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code and Section 33-2203, Idaho Code.

## Please identify the performance measure, goal, or priority this request is intended to improve in the strategic plan or performance measurement report.

Goal 1: Educational system alignment - Ensure that all components of the educational system are integrated and coordinated to maximize opportunities for all students. Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Goal 3 Educational attainment Idaho's public colleges and universities will award enough degrees and certificates to meet the education and forecasted workforce needs of Idaho residents necessary to survive and thrive in the changing economy.

## What is the anticipated measured outcome if this request is funded?

Funding of this request will lead to increased capacity within the technical college programs measured by: increased number of students enrolled in postsecondary CTE programs (headcount), increased number of technical college FTE enrollments, increased number of SkillStack® badges awarded (Postsecondary), and positive placement rate of postsecondary program completers.

#### Indicate existing base of PC, OE, and/or CO by source for this request.

| FTP    | PC              | OE             | TOTAL           |
|--------|-----------------|----------------|-----------------|
| 509.14 | \$49,286,800.00 | \$5,200,300.00 | \$54,487,100.00 |

## What resources are necessary to implement this request?

No additional resources beyond additional staff and operating expenses.

## List positions, pay grades, full/part-time status, benefits, terms of service.

All positions are non-classified faculty:

| Instit. | Position/Description               | FTE  | Salary   | Fringe   | Total PC  | Operating Expenses | Grand<br>Total |
|---------|------------------------------------|------|----------|----------|-----------|--------------------|----------------|
| CEI     | Medical Assisting Instructor       | 1.00 | \$55,000 | \$24,600 | \$79,600  | \$7,000            | \$86,600       |

| LCSC    | Trades and Industry Faculty        | 1.00 | \$54,995 | \$24,533 | \$79,528  | \$5,000            | \$84,528       |
| System  | Pooled Positions                   | 1.00 | \$82,100 | \$32,075 | \$114,175 |                    | \$114,267      |

Will staff be re-directed? If so, describe impact and show changes on org chart. Staff will not be re-directed.

## Detail any current one-time or ongoing OE or CO and any other future costs.

In FY25 the technical colleges receive \$5,200,300 in ongoing OE and no CO. There are no additional one-time funds appropriated to the technical college system in the current appropriation.

Describe method of calculation (RFI, market cost, etc.) and contingencies. NA

**Provide detail about the revenue assumptions supporting this request.**None

## Who is being served by this request and what is the impact if not funded?

Students wanting to enroll in our technical college programs and Idaho business that are looking for skilled employees coming out of our technical college system.

AGENCY: Division of Career Technical Education (503)

Approp Unit: EDEJ, EDEB, EDEC

Decision Unit No:

Title: Spending Authority for Adult Education and

Perkins V Programs.

| \$24,522  |
|-----------|
|           |
|           |
|           |
|           |
|           |
|           |
|           |
|           |
| 2,249,139 |
| 2,273,661 |
|           |

## Explain the request and provide justification for the need.

The Division of Career Technical Education is responsible for administering Idaho's Perkins V program. In recent years congress has increased the funding available to states for this program while the divisions spending authority for federal funds has remained the same. Similarly, the Division also administers the Work Force Innovation and Opportunity Act, Adult Education and Family Literacy Act program, and like the Perkins V program, the current spending authority for these federal funds is lower than the Divisions annual award.

The majority of the funds for these programs is distributed as trustee and benefit payments to local education agencies, technical colleges, the Idaho Department of Corrections Adult Education program, and IBESDB. A small portion may be used toward administrative costs. The administrative costs are appropriated in our budget as federal spending authority under Personnel Costs an Operating Expenses.

This request is for additional spending federal funds spending authority in the amount of \$2,249,139 as Trustee and Benefit Payments (direct allocations to the programs) and \$24,522 as Operating Expenses to match the current federal funding award levels for these two programs.

## If a supplemental, what emergency is being addressed? NA

## Specify the authority in statute or rule that supports this request.

Section 33-2201, Idaho Code and Section 33-2202, Idaho Code.

## Please identify the performance measure, goal, or priority this request is intended to improve in the strategic plan or performance measurement report.

Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Objective A: Adult Education Programs and Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness. Objective A: CTE concentrators demonstrating college and career readiness.

#### What is the anticipated measured outcome if this request is funded?

- Percent of participating students making a measurable skill gain, defined as documented academic, technical, occupational, or other forms of progress, toward a credential or employment
- improvements in basic skills necessary for employment, college, and training (i.e. literacy, numeracy, English language, and workplace readiness)
- Percent of secondary concentrators who meet workforce readiness and CTE diploma requirements.

#### Indicate existing base of PC, OE, and/or CO by source for this request.

The Divisions ongoing FY 2025 Appropriation for federal funds for these two programs is:

| Program   | PC            | OE            | ТВ              | Total           |
|-----------|---------------|---------------|-----------------|-----------------|
| Perkins V | \$ 903,664.00 | \$ 297,800.00 | \$ 5,670,900.00 | \$ 6,872,364.00 |
| Adult Ed  | \$ 105,636.00 | \$ 69,800.00  | \$2,862,000.00  | \$ 3,037,436.00 |

## What resources are necessary to implement this request?

No additional resources outside of the federal spending authority is necessary to implement this request.

List positions, pay grades, full/part-time status, benefits, terms of service.

## Will staff be re-directed? If so, describe impact and show changes on org chart.

No staff will be re-directed, there will be no changes to the organizational structure due to this request.

## Detail any current one-time or ongoing OE or CO and any other future costs.

There are no capital funds available for this program. Current one-time funding for this program in addition to the ongoing funding identified above includes \$2,223,420.00 in federal spending authority for T/B payments, there is no other one-time funding available for these programs. The Adult Education program includes \$881,000 in general fund T/B that constitutes the match for this program.

Describe method of calculation (RFI, market cost, etc.) and contingencies.  $\ensuremath{\mathsf{NA}}$ 

## Provide detail about the revenue assumptions supporting this request.

The program revenue is based on continued federal awarding for these programs, while the Adult Education program has seen some small fluctuations based on the state census data used for distributing the funds Idaho has seen an increase in the majority of the prior four years. The Perkins V funding has seen consisted congressional support over the prior four years and beyond. This request is based on current/new federal award notifications, requests will be made in out years based on the most recent years award notifications if the federal awards continue to grow.

## Who is being served by this request and what is the impact if not funded?

The Perkins V programs support secondary students and programs in our school districts and charter schools (local education agencies) as well as postsecondary programs in our six technical colleges. These funds may be used to enhance or expand career technical education programs. The Adult Education program funds support adult basic education, adult literacy, and work force training programs in the six technical colleges and the Idaho Department of Corrections adult training and literacy programs. If the additional spending authority is not appropriated the current funding for these programs will be limited as the one-time funding is eliminated.

### Explain the request and provide justification for the need.

The Business/Industry Engagement Manager will be a key member of the Idaho Division of Career Technical Education team, responsible for establishing and maintaining strong relationships with businesses and industry partners in support of CTE programs statewide. This role will focus on promoting and expanding collaboration between business and education, ensuring that CTE offerings align with industry needs and provide students with valuable career pathways. The engagement with local business in alignment with the programs LEA's offer is critical to the success of the programs. Small and rural LEA's often struggle with having the local resources needed to fully engage with local business partners. These challenges impact their ability to recruit individuals for their programs technical advisory committees as well as finding opportunities for students to engage in internships or apprenticeships in local businesses while they complete their programs.

If a supplemental, what emergency is being addressed? NA

## Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code and Section 33-2203, Idaho Code.

## Please identify the performance measure, goal, or priority this request is intended to improve in the strategic plan or performance measurement report.

Goal 1: Educational system alignment - Ensure that all components of the educational system are integrated and coordinated to maximize opportunities for all students. Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Goal 3 Educational attainment Idaho's public colleges and universities will award enough degrees and certificates to meet the education and forecasted workforce needs of Idaho residents necessary to survive and thrive in the changing economy. Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness.

## What is the anticipated measured outcome if this request is funded?

Percent of secondary programs that have been reviewed and revalidated to meet current industry standards. Secondary program quality, performance and technical assistance visits. Percent of secondary concentrators who meet workforce readiness and CTE diploma requirements.

Indicate existing base of PC, OE, and/or CO by source for this request.
None

## What resources are necessary to implement this request? None

List positions, pay grades, full/part-time status, benefits, terms of service.

| Position/Description     |       | FTE  | Salary   | Fringe   | Total PC  |
|--------------------------|-------|------|----------|----------|-----------|
|                          | Non-  |      |          |          |           |
| Business Engagement Mgr. | Class | 1.00 | \$79,000 | \$45,704 | \$114,704 |

Will staff be re-directed? If so, describe impact and show changes on org chart. Staff will not be re-directed.

## Detail any current one-time or ongoing OE or CO and any other future costs.

\$15,000 ongoing operating costs will cover travel, supplies, and other general office costs. \$3,000, one-time CO will go toward computer, phone and office furniture.

Describe method of calculation (RFI, market cost, etc.) and contingencies. NA

**Provide detail about the revenue assumptions supporting this request.** None

## Who is being served by this request and what is the impact if not funded?

This position will directly serve smaller and more rural programs that do not have the local resourced to build connection with community business and industry partners. These partnerships are critical in providing student learning and internship opportunities to students and ultimate support student success.

Job Title: Business Engagement Manager

**Department:** Idaho Division of Career Technical Education (CTE)

Location: Boise, ID

Reports to: Chief of Staff

## Job Summary:

The Business Engagement Manager will be a key member of the Idaho Division of Career Technical Education (Division) team, responsible for establishing and maintaining strong relationships with businesses and industry partners in support of career technical education (CTE) programs statewide as well as at a local level. This role will focus on promoting and expanding collaboration between business and education, ensuring that CTE offerings align with industry needs and provide students with valuable career pathways and support the development of partnerships at the local level with secondary and postsecondary programs in the regions.

## **Key Responsibilities:**

## 1. Business Relationship Management:

- Identify, develop, and maintain partnerships with businesses, industry associations, and chambers of commerce to foster collaboration with the Division and programs at the local level.
- Collaborate with businesses to identify industry trends, workforce needs, and skill gaps, and translate this information into relevant CTE program offerings in collaboration with the Divisions program quality team.
- Serve as a liaison between the Division, businesses, and industry partners, ensuring effective communication and engagement.

## 2. Program Alignment:

- Conduct research and analysis to identify high-demand industry sectors and emerging career pathways.
- Collaborate with CTE program managers and educators to align curriculum, course offerings, and certifications with industry needs, focusing on relevant technical skills, knowledge, and work-based learning opportunities.
- Identify opportunities to integrate industry experts and professionals into CTE programs, such as guest speakers, mentors, or instructional partners.

#### 3. Work-Based Learning:

- Develop and facilitate work-based learning opportunities, such as internships, jobshadowing, and apprenticeships, in partnership with businesses and CTE programs at the local level.
- Seek and secure funding opportunities to support work-based learning initiatives, including grants, partnerships, and sponsorships.

• Evaluate and monitor the effectiveness of work-based learning programs, collecting feedback from students, businesses, and educators.

#### 4. Outreach and Promotion:

- Lead efforts to promote CTE programs, initiatives, and success stories to businesses, industry partners, and the broader community.
- Organize and participate in industry conferences, meetings, and events to expand awareness of CTE offerings and build relationships with stakeholders.
- Collaborate with marketing and communications teams to develop engaging materials, such as case studies, testimonials, and presentations, highlighting the benefits of CTE programs.
- Supervise existing Outreach Coordinator and facilitation of annual CTE convening.

#### **Qualifications:**

- Five years or more proven experience in business development, relationship management, or workforce development, preferably in the education or career technical training sector.
- Strong knowledge of career technical education and industry partnerships.
- Excellent communication and interpersonal skills to engage, negotiate, and build rapport with various stakeholders, including businesses, educators, and government representatives.
- Analytical skills to identify industry trends, labor market data, and program alignment opportunities.
- Ability to work independently and collaboratively in a fast-paced, dynamic environment.
- Organizational and project management skills to plan and execute work-based learning programs and promotional activities.
- Proficient in Microsoft Office Suite and CRM software.

# State of Idaho Classification Review Request Form

**Purpose:** To request a new position or reclassify existing position.

**Routing:** This form is to be completed by agency HR representative in conjunction with supervisor and agency fiscal representative; approved by agency appointing authority, then routed to DHR and DFM for approvals.

## **Employee Information**

Employee Name: NA Date Form Completed: 8/5/2024

| GRAND TOTAL                  | \$50,000 |           |         |       | \$50,000 |

## Explain the request and provide justification for the need.

The Division of Career Technical Education is responsible for the Work Force Innovation and Opportunity Act, Adult Education and Family Literacy Act program.

The majority of the funds for this program is distributed as trustee and benefit payments to local our technical colleges adult basic education, adult literacy, and workforce training programs as well as, the Idaho Department of Corrections Adult Education program.

This request is for an additional \$50,000 in general funds to go out to these programs as Trustee and Benefit payments. The adult education programs at the technical programs see limited funding resources outside of the federal funding available. These programs have shown consistent impact and improvement in adult student outcomes and are a critical pieces of the overall support provided to the technical colleges for adult work force training programs outside of the more traditional certificate and degree programs supported by the state at the technical colleges.

## If a supplemental, what emergency is being addressed? NA

Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code.

## Please identify the performance measure, goal, or priority this request is intended to improve in the strategic plan or performance measurement report.

Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Objective A: Adult Education Programs and Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness. Objective A: CTE concentrators demonstrating college and career readiness.

#### What is the anticipated measured outcome if this request is funded?

- Percent of participating students making a measurable skill gain, defined as documented academic, technical, occupational, or other forms of progress, toward a credential or employment
- improvements in basic skills necessary for employment, college, and training (i.e. literacy, numeracy, English language, and workplace readiness)

## Indicate existing base of PC, OE, and/or CO by source for this request.

The Divisions ongoing FY 2025 Appropriation for federal funds for these two programs is:

| Program        | PC            | OE              | ТВ             | Total           |
|----------------|---------------|-----------------|----------------|-----------------|
| Adult Ed (GF)  |               |                 | \$881,000      | \$881,000       |
| Adult Ed (Fed) | \$ 105,636.00 | \$<br>69,800.00 | \$2,862,000.00 | \$ 3,037,436.00 |

#### What resources are necessary to implement this request?

No additional resources outside of the general fund T/B payments is necessary to implement this request. Existing program resources are adequate for administering the program at the state level.

List positions, pay grades, full/part-time status, benefits, terms of service. NA

## Will staff be re-directed? If so, describe impact and show changes on org chart.

No staff will be re-directed, there will be no changes to the organizational structure due to this request.

## Detail any current one-time or ongoing OE or CO and any other future costs.

There are no capital funds available for this program. Current one-time funding for this program in addition to the ongoing funding identified above includes \$2,223,420.00 in federal spending authority for T/B payments, there is no other one-time funding available for these programs. The Adult Education program appropriation currently includes \$881,000 in general fund T/B in addition to the federal spending authority noted above.

## Describe method of calculation (RFI, market cost, etc.) and contingencies.

NA

### Provide detail about the revenue assumptions supporting this request.

The program revenue is based on continued federal awarding for these programs, while the Adult Education program has seen some small fluctuations based on the state census data used for distributing the funds to states, Idaho has seen an increase over the prior three years in the federal award amount.

## Who is being served by this request and what is the impact if not funded?

The Adult Education program funds support adult basic education, adult literacy, and work force training programs in the six technical colleges and the Idaho Department of Corrections adult training and literacy programs. If the additional spending authority is not appropriated the current funding for these programs will be limited as the one-time funding is eliminated.

### Explain the request and provide justification for the need.

The Division of Career Technical Education requests exemption from the provisions of Section 67-3511(1), (2), and (3), Idaho Code, allowing transfers between object codes and between programs for all moneys appropriated to them for the period July 1, 2025, through June 30, 2026.

Funding received by the Division for the Perkins V program is used to enhance and expand career technical programs in secondary schools, postsecondary programs, workforce readiness, Idaho Department of Corrections, Juvenile Corrections and the Idaho School for the Deaf and Blind. Eligible use of these funds includes the administration of the program (appropriated as PC and OE) as well as direct allocations to the programs (TB). The Divisions annual appropriation divides up the awarded funds between four appropriation units and the applicable categories based on program plan and budget at the time, however, based on one-time savings in the three categories it may be necessary to shift funding during the fiscal year to either send more funds out as direct allocations or sponsor a statewide training or project that is administered through the Division and categorized as operating expense. This budget exemption will allow the Division some flexibility if needed to maximize the impact of these program funds. Additionally, the Adult Education and Literacy program awards provide similar challenges, for this program the beneficiaries are our technical colleges (including workforce training centers) and IDOC.

If a supplemental, what emergency is being addressed? NA

Specify the authority in statute or rule that supports this request.

Section 33-2201, Idaho Code and Section 33-2202, Idaho Code.

#### Explain the request and provide justification for the need.

The general funds distributed to the six technical colleges for the purpose of postsecondary career technical education programs are appropriated through the Division of Career Technical Education. The technical colleges have seen a steady increase in interest from students within their regions as well as statewide creating capacity issues for existing programs and limiting growth in new programs. For many programs, due to limited capacity, many students have to be turned away or redirected to other programs or other institutions. As part of the state budgeting process, the Division asks the technical colleges to submit their top requests in priority order. This year the technical colleges all placed expansion of programs as their top priority. The request consists of the highest priority position/program identified by the technical colleges and two position that will be used as rapid response positions that the technical colleges can use on a limited bases to expand or start up new sections/programs that have been identified outside of the budget request timelines while they go through the process to request ongoing funding for the positions in out years. The FTE will then be recycled and available for use by another technical college.

#### If a supplemental, what emergency is being addressed?

NA

#### Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code and Section 33-2203, Idaho Code.

#### Indicate existing base of PC, OE, and/or CO by source for this request.

In FY 25 the technical colleges will receive general funds for 509.14 FTE, \$49,286,800 in personnel costs and \$5,200,300 for operating expenses through the Divisions budget. These are ongoing cost appropriated to the Division to fund ongoing operations in the six technical colleges around the state. As need increases for high skilled employee's future funding will be needed to expand programs offered through the technical colleges or they will be limited to their current operational level.

## What resources are necessary to implement this request?

No additional resources beyond additional staff and operating expenses.

#### List positions, pay grades, full/part-time status, benefits, terms of service.

| Instit. | Position/Description FTE           | Salary   | Fringe   | Total PC  | Operating | Expenses  | <b>Grand Total</b> |

| System  | Pooled Positions 1.00              | \$82,100 | \$32.075 | \$114.175 |           | \$114.267 |                    |

#### Will staff be re-directed? If so, describe impact and show changes on org chart.

No.

#### Detail any current one-time or ongoing OE or CO and any other future costs.

In FY 25 the technical colleges will receive funding for 509.14 FTE, \$49,286,800 in personnel costs and \$5,200,300 for operating expenses through the Divisions budget. These are ongoing cost appropriated to the Division to fund ongoing operations in the six technical colleges around the state. Many career technical programs have added costs above and beyond those of typical academic program due to specialized equipment and the materials used during hands on training. As technology advances and prices increase there could be a need to increase future operating costs to upgrade technology, provide materials, or update equipment.

#### Describe method of calculation (RFI, market cost, etc.) and contingencies.

NA

#### Provide detail about the revenue assumptions supporting this request.

Revenue assumptions are based on the current ongoing general fund appropriation for the technical collages within the Divisions budget.

#### Who is being served by this request and what is the impact if not funded?

Idaho businesses and students seeking training in high skilled, high demand careers.

## Identify the measure/goal/priority this will improve in the strat plan or PMR.

Goal 1: Educational system alignment - Ensure that all components of the educational system are integrated and coordinated to maximize opportunities for all students. Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Goal 3 Educational attainment Idaho's public colleges and universities will award enough degrees and certificates to meet the education and forecasted workforce needs of Idaho residents necessary to survive and thrive in the changing economy.

#### What is the anticipated measured outcome if this request is funded?

Funding of this request will lead to increased capacity within the technical college programs measured by: increased number of students enrolled in postsecondary CTE programs (headcount), increased number of technical college FTE enrollments, increased number of SkillStack® badges awarded (Postsecondary), and positive placement rate of postsecondary program completers.

## Explain the request and provide justification for the need.

The Division of Career Technical Education is responsible for administering Idaho's Perkins V program. In recent years congress has increased the funding available to states for this program while the divisions spending authority for federal funds has remained the same. Similarly, the Division also administers the Work Force Innovation and Opportunity Act, Adult Education and Family Literacy Act program, and like the Perkins V program, the current spending authority for these federal funds is lower than the Divisions annual award.

Trustee/Benefit Total

0

0

205,900

230,400

205,900

230,400

0

0

The majority of the funds for these programs is distributed as trustee and benefit payments to local education agencies, technical colleges, the Idaho Department of Corrections Adult Education program, and IBESDB. A small portion may be used toward administrative costs. The administrative costs are appropriated in our budget as federal spending authority under Personnel Costs an Operating Expenses.

This request is for additional spending federal funds spending authority in the amount of \$2,249,139 as Trustee and Benefit Payments (direct allocations to the programs) and \$24,522 as Operating Expenses to match the current federal funding award levels for these two programs.

#### If a supplemental, what emergency is being addressed?

NA

#### Specify the authority in statute or rule that supports this request.

Section 33-2201, Idaho Code and Section 33-2202, Idaho Code...

#### Indicate existing base of PC, OE, and/or CO by source for this request.

The Divisions ongoing FY 2025 Appropriation for federal funds for these two programs is: Program PC OE TB Total

Perkins V \$903,664 \$297,800 \$5,670,900 \$6,872,364

Adult Ed \$105,636 \$69,800 \$2,862,000 \$3,037,436

#### What resources are necessary to implement this request?

None

List positions, pay grades, full/part-time status, benefits, terms of service.

NA

Will staff be re-directed? If so, describe impact and show changes on org chart.

No

#### Detail any current one-time or ongoing OE or CO and any other future costs.

The Division's FY25 appropriation includes ongoing spending authority in OE for the administration of these two programs in the amount of \$367,600. In future requests would be based on the annual grant awards for these two programs.

#### Describe method of calculation (RFI, market cost, etc.) and contingencies.

NA

#### Provide detail about the revenue assumptions supporting this request.

The program revenue is based on continued federal awarding for these programs, while the Adult Education program has seen some small fluctuations based on the state census data used for distributing the funds Idaho has seen an increase in the majority of the prior four years. The Perkins V funding has seen consisted congressional support over the prior four years and beyond. This request is based on current/new federal award notifications, requests will be made in out years based on the most recent years award notifications if the federal awards continue to grow.

#### Who is being served by this request and what is the impact if not funded?

The Perkins V programs support secondary students and programs in our school districts and charter schools (local education agencies) as well as postsecondary programs in our six technical colleges. These funds may be used to enhance or expand career technical education programs. The Adult Education program funds support adult basic education, adult literacy, and work force training programs in the six technical colleges and the Idaho Department of Corrections adult training and literacy programs. If the additional spending authority is not appropriated the current funding for these programs will be limited as the one-time funding is eliminated.

#### Identify the measure/goal/priority this will improve in the strat plan or PMR.

Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Objective A: Adult Education Programs and Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness. Objective A: CTE concentrators demonstrating college and career readiness.

## What is the anticipated measured outcome if this request is funded?

- Percent of participating students making a measurable skill gain, defined as documented academic, technical, occupational, or other forms of progress, toward a credential or employment
- improvements in basic skills necessary for employment, college, and training (i.e. literacy, numeracy, English language, and workplace readiness)
- Percent of secondary concentrators who meet workforce readiness and CTE diploma requirements.

#### Explain the request and provide justification for the need.

The Business/Industry Engagement Manager will be a key member of the Idaho Division of Career Technical Education team, responsible for establishing and maintaining strong relationships with businesses and industry partners in support of CTE programs statewide. This role will focus on promoting and expanding collaboration between business and education, ensuring that CTE offerings align with industry needs and provide students with valuable career pathways. The engagement with local business in alignment with the programs LEA's offer is critical to the success of the programs. Small and rural LEA's often struggle with having the local resources needed to fully engage with local business partners. These challenges impact their ability to recruit individuals for their programs technical advisory committees as well as finding opportunities for students to engage in internships or apprenticeships in local businesses while they complete their programs.

#### If a supplemental, what emergency is being addressed?

NA

## Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code and Section 33-2203, Idaho Code.

#### Indicate existing base of PC, OE, and/or CO by source for this request.

None

#### What resources are necessary to implement this request?

The position requested along with operating expenses for travel.

#### List positions, pay grades, full/part-time status, benefits, terms of service.

One full-time permanent non-classified position at a salary 0f \$79,000/annually, health insurance \$14,300, and variable benefits of \$17,103.94.

#### Will staff be re-directed? If so, describe impact and show changes on org chart.

No

#### Detail any current one-time or ongoing OE or CO and any other future costs.

There are no current recourses going towards this function.

#### Describe method of calculation (RFI, market cost, etc.) and contingencies.

Cost is based on current state salary schedule for pay grade N. Positions in paygrade N most closely matched the knowledge, skills, and experience required for this new non-classified position.

#### Provide detail about the revenue assumptions supporting this request.

None.

#### Who is being served by this request and what is the impact if not funded?

This position will directly serve smaller and more rural programs that do not have the local resourced to build connection with community business and industry partners. These partnerships are critical in providing student learning and internship opportunities to students and ultimate support student success.

## Identify the measure/goal/priority this will improve in the strat plan or PMR.

Goal 1: Educational system alignment - Ensure that all components of the educational system are integrated and coordinated to maximize opportunities for all students. Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Goal 3 Educational attainment Idaho's public colleges and universities will award enough degrees and certificates to meet the education and forecasted workforce needs of Idaho residents necessary to survive and thrive in the changing economy. Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness.

#### What is the anticipated measured outcome if this request is funded?

Percent of secondary programs that have been reviewed and revalidated to meet current industry standards. Secondary program quality, performance and technical assistance visits. Percent of secondary concentrators who meet workforce readiness and CTE diploma requirements.

#### Explain the request and provide justification for the need.

The Division of Career Technical Education is responsible for the Work Force Innovation and Opportunity Act, Adult Education and Family Literacy Act program.

The majority of the funds for this program is distributed as trustee and benefit payments to local our technical colleges adult basic education, adult literacy, and workforce training programs as well as, the Idaho Department of Corrections Adult Education program.

This request is for an additional \$50,000 in general funds to go out to these programs as Trustee and Benefit payments. The adult education programs at the technical programs see limited funding resources outside of the federal funding available. These programs have shown consistent impact and improvement in adult student outcomes and are a critical pieces of the overall support provided to the technical colleges for adult work force training programs outside of the more traditional certificate and degree programs supported by the state at the technical colleges.

#### If a supplemental, what emergency is being addressed?

NA

#### Specify the authority in statute or rule that supports this request.

Section 33-2202, Idaho Code.

#### Indicate existing base of PC, OE, and/or CO by source for this request.

| Program        | PC | OE           | TB          |                | Total          |
|----------------|----|--------------|-------------|----------------|----------------|
| Adult Ed (GF)  |    | \$881,000    | \$881,000   |                |                |
| Adult Ed (Fed) | 1  | \$105,636.00 | \$69,800.00 | \$2,862,000.00 | \$3,037,436.00 |

#### What resources are necessary to implement this request?

No additional resources outside of the general fund T/B payments is necessary to implement this request. Existing program resources are adequate for administering the program at the state level.

#### List positions, pay grades, full/part-time status, benefits, terms of service.

NA

#### Will staff be re-directed? If so, describe impact and show changes on org chart.

No staff will be re-directed, there will be no changes to the organizational structure due to this request.

#### Detail any current one-time or ongoing OE or CO and any other future costs.

There are no capital funds available for this program. Current one-time funding for this program in addition to the ongoing funding identified above includes \$2,223,420.00 in federal spending authority for T/B payments, there is no other one-time funding available for these programs. The Adult

Education program appropriation currently includes \$881,000 in general fund T/B in addition to the federal spending authority noted above.

#### Describe method of calculation (RFI, market cost, etc.) and contingencies.

NA

#### Provide detail about the revenue assumptions supporting this request.

The program revenue is based on continued federal awarding for these programs, while the Adult Education program has seen some small fluctuations based on the state census data used for distributing the funds to states, Idaho has seen an increase over the prior three years in the federal award amount

#### Who is being served by this request and what is the impact if not funded?

The Adult Education program funds support adult basic education, adult literacy, and work force training programs in the six technical colleges and the Idaho Department of Corrections adult training and literacy programs. If the additional spending authority is not appropriated the current funding for these programs will be limited as the one-time funding is eliminated.

#### Identify the measure/goal/priority this will improve in the strat plan or PMR.

Goal 2: Educational readiness - Provide a rigorous, uniform, and thorough education that empowers students to be lifelong learners and prepares all students to fully participate in their community, and postsecondary and workforce opportunities by assuring they are ready to learn at the next educational level. Objective A: Adult Education Programs and Goal 4: Workforce Readiness - The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness. Objective A: CTE concentrators demonstrating college and career readiness.

#### What is the anticipated measured outcome if this request is funded?

- Percent of participating students making a measurable skill gain, defined as documented academic, technical, occupational, or other forms of progress, toward a credential or employment
- improvements in basic skills necessary for employment, college, and training (i.e. literacy, numeracy, English language, and workplace readiness)

## Part I - Agency Profile

### **Agency Overview**

The mission of the Idaho Division of Career Technical Education (IDCTE) is to prepare Idaho's youth and adults for high-skill, in-demand careers.

Chapter 22, Title 33, Idaho Code, establishes the State Board of Education as the State Board for Career Technical Education (Board) and establishes the Division of Career Technical Education for the purpose of administering Idaho's career technical education system, including, but not limited to carrying into effect provisions established through federal and state law and "to execute the laws of the state of Idaho relative to career technical education; to administer the funds provided by the federal government and the state of Idaho under the provisions of this chapter for promotion of" career technical education. Idaho Code §33-2202(2) defines "career technical education" as "secondary, postsecondary and adult courses, programs, training and services administered by the division of career technical education for occupations or careers that require other than a baccalaureate, master's or doctoral degree." As approved by the board, this term may also apply to specific courses or programs offered in grades 7 and 8 or offered by any approved public charter school that are delivered through traditional or virtual online instructional methods. This term may also apply to virtual, blended, or other career technical education programs. Pursuant to Idaho Code §33-2202(3) "the courses, programs, training, and services include, but are not limited to, career, technical and applied technology education. They are delivered through the career technical delivery system of public secondary schools, including public charter schools, irrespective of the delivery method, and postsecondary schools and colleges."

Additionally, IDCTE provides leadership and technical assistance for career technical education (CTE) in Idaho, from secondary students through adults, as well as teacher development. In addition to robust programs within secondary and postsecondary education, IDCTE also administers related programs that include GED, Centers for New Directions, Workforce Training Centers, apprenticeships, fire service training, hazardous materials transportation enforcement education and motorcycle safety training.

Career technical education programs are integrated into the Idaho public education system through school districts, colleges and universities. IDCTE provides the focus for career technical education programs and training within existing schools and institutions by using a statewide system approach with an emphasis on student learning, program quality and industry engagement.

Secondary career technical education programs and services are provided via junior high/middle schools, comprehensive high schools, career technical centers, and through cooperative programs with the Idaho technical college system.

Postsecondary career technical education programs and services are delivered through Idaho's six technical colleges. Four technical colleges are located on the campuses of community colleges: College of Eastern Idaho, College of Southern Idaho, College of Western Idaho and North Idaho College. Two technical colleges are on the campus of four-year institutions: Idaho State University and Lewis-Clark State College. The Idaho technical college system delivers certificate and A.A.S. degree occupational programs on a full- or part-time basis; workforce/short-term training; adult education; displaced homemaker services; and fire service training.

IDCTE was appropriated 564.14 full-time positions (FTP) in Fiscal Year (FY) 2024. Of those positions 509.14 are appropriated to the technical colleges and 55 FTP are located in the Division office.

### Core Functions/Idaho Code

Statutory authority for IDCTE is delineated in Chapter 22, Title 33, Idaho Code, Idaho Code §33-1002G and §39-

5009 and Idaho Administrative Code IDAPA 55. Specifically, IDCTE:

- Administers Idaho's statewide career technical education system;
- Assists local educational agencies in program planning, development, and evaluation;
- Promotes the availability and accessibility of career technical education;
- Prepares annual and long-range state plans;
- Prepares an annual budget to present to the Board, Governor, and the Legislature for the statewide career technical education system;
- Provides a state finance and accountability system for career technical education;
- Evaluates career technical education programs;
- Initiates research, curriculum development and professional development activities;
- Collects, analyzes, evaluates, and disseminates data and program information;
- Administers programs in accordance with state and federal legislation;
- Coordinates career technical education related activities with other agencies, officials, and organizations.

### **Performance Measure** FY 2021 FY 2022 FY 2023 FY 2024 FY 2025 **Board Goal 3: EDUCATIONAL ATTAINMENT** Ensure Idaho's public colleges and universities will award enough degrees and certificates to meet the education, and forecasted workforce needs of Idaho residents necessary to survive and thrive in the changing economy. CTE Objective A: Increase completion of microcredentials. 4. Total number of microcredentials 280 360 879 3,604 actual earned/awarded for non-secondary students. 1,099 (25% Improvebenchmark ment Improvement) FY 2021 FY 2022 FY 2023 FY 2024 FY 2025 **Performance Measure Board Goal 4: WORKFORCE READINESS** The educational system will provide an individualized environment that facilitates the creation of practical and theoretical knowledge leading to college and career readiness. CTE Objective A: CTE concentrators will demonstrate college and career readiness. 5. Percent of secondary concentrators who meet 46% 25% 34% actual N/A workforce readiness and CTE diploma (1,685 of (2,394 of (3,341 of 6,806) 7,234) 7,035) requirements. benchmark 25% 40% CTE Objective B: Increase use of microcredential platform by CTE instructors for tracking student progress for pathway completion. Percent of secondary CTE concentrator 35% 47% 56% 54% actual teachers that actively track student progress (147/426)(202/430)(252/453)(253/468)through the microcredential platform.

### **Performance Measure Explanatory Notes**

- 1): \*New measure in FY 2025-29 Strategic Plan.
- **2):** \*This benchmark was modified in the FY 2025-29 Strategic Plan and historical benchmarks are not comparable.
- 3): \*New measure in FY 2025-29 Strategic Plan. All benchmarks are federally negotiated and negotiated two years ahead (ex. FY 2025 was negotiated when outcomes were available for FY 2023).

benchmark

The most common type of measurable skills gain is: Improvements in basic skills necessary for employment, college, and training (i.e. - literacy, numeracy, English language, and workplace readiness).

**4):** \*New measure in FY 2024-28 Strategic Plan. In FY 2024, numbers increased due to changes in Board Policy III.E and providing statewide guidance on the use microcredentials and the SkillStack® platform.

Non-secondary students include workforce training centers, Idaho Department of Correction/Juvenile Corrections, and other educational entities outside of secondary programs (ex. Wisdom Ranch and First Steps standards course completers.

- **5):** \*New measure in FY 2024-28 Strategic Plan. Data is self-reported by local education agencies and duplicates students if they met workforce readiness and CTE diploma requirements for multiple programs.
- **6):** \*New measure in FY 2024-28 Strategic Plan. Due to the number of new teachers, this measure went down. New teachers do not use the microcredential platform until they are trained.
