**Explain the request and provide justification for the need.**

- Idaho State University: Requesting two resident positions' salary at \$41,872 each as outlined in the GME 10-Year Plan. This request considers the FY 2026 3% Budget Cap and any other budget submission approvals for the GME program. One new resident will be located in Pocatello and the other will be located in Rupert/Burley. This FY 2026 line item budget request will further assist towards accreditation with the Family Medicine Residency Program.
- Family Medicine Residencies: \$60,000 for fellowships at FMR Boise and \$360,000 for six new psychiatry residents at \$60,000 each at Mountain States Institute of Graduate Medical Education for a total of \$420,000
- Boise Internal Medicine: \$60,000 for one new resident
- Eastern Idaho Regional Medical Center: \$240,000 for four new psychiatry residents at \$60,000 each
- Total FY 26 request: \$840,000

**If a supplemental, what emergency is being addressed?**

N/A

**Specify the authority in statute or rule that supports this request.**

Pursuant to Section 33-3720, Idaho Code, the State Board of Education oversees eight distinct health education programs that provide educational opportunities in the fields of medicine, dentistry, and veterinary medicine.

**Indicate existing base of PC, OE, and/or CO by source for this request.**

Personnel Cost	Operating Expenditures
\$2,729,000	\$321,600

**What resources are necessary to implement this request?**

Ongoing general funds

**List positions, pay grades, full/part-time status, benefits, terms of service.**

Requesting two Resident Positions will expand the base and further assist towards accreditation with the Family Medicine Residency Program.

FY2025 Appropriated Budget for ISU Family Medicine Residency is as follows:

Personnel Cost	Operating Expenditures
\$2,729,000	\$321,600

**Will staff be re-directed? If so, describe impact and show changes on org chart.**

No

**Detail any current one-time or ongoing OE or CO and any other future costs.**

---

\$840,000 ongoing general funds

**Describe method of calculation (RFI, market cost, etc.) and contingencies.**

---

N/A

**Provide detail about the revenue assumptions supporting this request.**

---

N/A

**Who is being served by this request and what is the impact if not funded?**

---

Nearly all programs have over 50% of their graduates staying in Idaho. Additionally, almost all programs have 30% or more of their graduates staying in rural and urban underserved communities in Idaho. Ultimately these programs provide increased access to care for many Idahoans and will continue to do so for decades to come. Additionally, these programs provide economic benefit to their communities and to the state.

**Identify the measure/goal/priority this will improve in the strat plan or PMR.**

---

Idaho Ten Year Graduate Medical Education (GME) Strategic Plan

**What is the anticipated measured outcome if this request is funded?**

---

Increase medical residents at Idaho State University in Pocatello and Rupert/Burley, Family Medicine Residencies, Boise Internal Medicine, Eastern Idaho Regional Medical Center, and the new Mountain States Institute of Graduate Medical Education and Research in Boise and Nampa.

This request considers the FY 2026 3% Budget Cap and any other budget submission approvals for the GME program. One new resident will be located in Pocatello and the other will be located in Rupert/Burley. This FY 2026 line item budget request will further assist towards accreditation with the Family Medicine Residency Program.
- Family Medicine Residencies: \$60,000 for fellowships at FMR Boise and \$360,000 for six new psychiatry residents at \$60,000 each at Mountain States Institute of Graduate Medical Education for a total of \$420,000
- Boise Internal Medicine: \$60,000 for one new resident
- Eastern Idaho Regional Medical Center: \$240,000 for four new psychiatry residents at \$60,000 each
- Total FY 26 request: \$840,000

**If a supplemental, what emergency is being addressed?**

N/A

**Specify the authority in statute or rule that supports this request.**

Pursuant to Section 33-3720, Idaho Code, the State Board of Education oversees eight distinct health education programs that provide educational opportunities in the fields of medicine, dentistry, and veterinary medicine.

**Indicate existing base of PC, OE, and/or CO by source for this request.**

Personnel Cost	Operating Expenditures
\$2,729,000	\$321,600

**What resources are necessary to implement this request?**

Ongoing general funds

**List positions, pay grades, full/part-time status, benefits, terms of service.**

Requesting two Resident Positions will expand the base and further assist towards accreditation with the Family Medicine Residency Program.

FY2025 Appropriated Budget for ISU Family Medicine Residency is as follows:

Personnel Cost	Operating Expenditures
\$2,729,000	\$321,600

**Will staff be re-directed? If so, describe impact and show changes on org chart.**

No

**Detail any current one-time or ongoing OE or CO and any other future costs.**

---

\$840,000 ongoing general funds

**Describe method of calculation (RFI, market cost, etc.) and contingencies.**

---

N/A

**Provide detail about the revenue assumptions supporting this request.**

---

N/A

**Who is being served by this request and what is the impact if not funded?**

---

Nearly all programs have over 50% of their graduates staying in Idaho. Additionally, almost all programs have 30% or more of their graduates staying in rural and urban underserved communities in Idaho. Ultimately these programs provide increased access to care for many Idahoans and will continue to do so for decades to come. Additionally, these programs provide economic benefit to their communities and to the state.

**Identify the measure/goal/priority this will improve in the strat plan or PMR.**

---

Idaho Ten Year Graduate Medical Education (GME) Strategic Plan

**What is the anticipated measured outcome if this request is funded?**

---

Increase medical residents at Idaho State University in Pocatello and Rupert/Burley, Family Medicine Residencies, Boise Internal Medicine, Eastern Idaho Regional Medical Center, and the new Mountain States Institute of Graduate Medical Education and Research in Boise and Nampa.

## **Analysis of Fund Balances (B12)**

Appropriation Unit EDIC – Idaho Dental Education Program

Idaho Dental Education Program (IDEP) Analysis of Fund Balances information is combined with ISU's Analysis of Fund Balance (Fund 65000) in the LUMA Form 2900 and the Birst Report. Luma does not have the capability of separating the fund balances between the two Appropriated Units. The next page displays the Analysis of Fund Balances (B12 Form) for IDEP which was created by the institution outside of LUMA.

**Explain the request and provide justification for the need.**

The Idaho Dental Education Program (IDEP) is a contractual program between Idaho, Idaho State University, and Creighton University in Omaha Nebraska. The first-year students take classes at Idaho State University and the year 2, 3, and 4 students complete their education at Creighton University.

The program currently has 8 seats per year, for a total of 32 seats. This request is to increase the number of seats from 8 to 9 students per year.

**If a supplemental, what emergency is being addressed?**

This is not an emergency request. This would be a long-term adjustment to the size of the program.

**Specify the authority in statute or rule that supports this request.**

N/A

**Indicate existing base of PC, OE, and/or CO by source for this request.**

The funding increase for this change will only be T/B payments directly supporting the number of program seats. No additional funding is needed.

**What resources are necessary to implement this request?**

The funding increase for this request will only be T/B payments directly supporting the number of program seats. No additional funding is needed for personnel, operating, capital outlay, and program startup.

**List positions, pay grades, full/part-time status, benefits, terms of service.**

N/A

**Will staff be re-directed? If so, describe impact and show changes on org chart.**

This request will not alter staff in any way. The current level of staffing will appropriately take care of the addition of 1 student.

**Detail any current one-time or ongoing OE or CO and any other future costs.**

The only additional funding needed for this request is in T/B payments. This request, for FY 2026, adds one first year student to the program and is within the 3% funding cap.

Additional funding will be needed in FY 2027, 2028, and 2029 until each class in the 4-year program is expanded from 8 students to 9. The overall increase will take place over 4 years.

Adding one student to the program will add dedicated revenue to ISU, from their payment of tuition and fees (IDEP Program Fee). This is a benefit to both ISU and the students within the program.

**Describe method of calculation (RFI, market cost, etc.) and contingencies.**

---

The total T/B cost was divided by the total number of students within the program to calculate the T/B per program student. This figure was used to determine the funding needed for one additional first year student.

**Provide detail about the revenue assumptions supporting this request.**

---

N/A

**Who is being served by this request and what is the impact if not funded?**

---

The population of Idaho and Idaho residents who choose to become dentists both benefit from this request. First, the population of Idaho is served by graduates of the IDEP returning to Idaho as dentists. Historically 65-70% of IDEP graduates return to Idaho to practice dentistry. As the Idaho population is growing, there is an increased need for dentists to return to our state to appropriately care for this population. Idaho residents who are students within the IDEP have lower student debt at graduation than dental graduates from other programs, making it more feasible to return to Idaho as dentists.

Additionally, Idaho residents who want to become dentists benefit from the IDEP scholarship, making their tuition comparable to those from other states who have a state supported dental school. The IDEP scholarship is like in-state tuition for dental students in other states. With between 30 and 50 applicants yearly for the 8 available IDEP positions, there is significant demand to add 1 seat to the program.

If not funded, the shortage of dentists in Idaho would become more significant. Access to dental care in Idaho is more pronounced in the more rural areas. Newly graduated dentists with higher amounts of student loan debt cannot go to the more rural areas where access to care is limited. They go to areas with a higher population base so they can service their student loan debt effectively.

A high percentage of Idaho applicants applying to dental school will get accepted to programs outside of Idaho and end up in much greater amounts of debt (commonly twice as much) than those accepted to the IDEP. These dentists with large amounts of debt generally don't return to Idaho to practice after graduation because they must go to larger metropolitan areas where they can make more money to service their student loan debt. Increasing the number of IDEP seats will help some of these students obtain a high-quality dental education in a state supported way with less debt, enabling them to return to Idaho to serve our population.

**Identify the measure/goal/priority this will improve in the strat plan or PMR.**

---

Adding one more student to the program will add dedicated revenue to ISU, from their payment of tuition and fees (IDEP Program Fee). This is a benefit to both ISU and the students within the program.

**What is the anticipated measured outcome if this request is funded?**

---

Increase the number of Dentists in Idaho from the graduating students in the program.

1. The state of Idaho does not have a medical education program. Each year since 1976, Idaho has had a bilateral contract with the University of Utah School of Medicine to provide medical education opportunities for Idaho residents in a four-year program. Historically, the contract stated the annual support fee per Idaho resident student increased by the Consumer Price Index plus 20% for the two years preceding the academic year. Starting in FY 2013, the fee increases by an amount which is equal to the increase in the Higher Education Cost Adjustment (HECA) index. The index used shall be the published HECA index for the most recently available preceding academic year. Starting in FY 2020, the index used shall be the published CPI index for the most recently available year preceding academic year.

This DU allows the state to continue to participate in the agreement.

2. The program objective is to provide access to medical education to Idaho students. Idaho Code Section 33-107.

**UNIVERSITY OF IDAHO:**

The University of Idaho, located in Moscow, is a high research activity, land-grant institution committed to undergraduate and graduate research education with extension services responsive to Idaho and the region's business and community needs. The university is also responsible for regional medical and veterinary education programs in which the state of Idaho participates. The University of Idaho emphasizes agriculture, natural resources, metallurgy, engineering, architecture, law, foreign languages, teacher preparation, and international programs.

**AGRICULTURAL RESEARCH & EXTENSION SERVICE:**

Agricultural Research and Cooperative Extension Service (ARES) scientists conduct research on the University of Idaho campus and at thirteen research and extension centers across the state to ensure that Idaho agriculture remains productive and profitable. Results of that research, as well as family and consumer services, are then delivered to the agricultural community and citizens of Idaho through extension offices located in 42 of Idaho's 44 counties. [Statutory Authority: Section 33-2908, Idaho Code, et seq.]

**HEALTH EDUCATION PROGRAMS**

**WIMU VETERINARY EDUCATION:**

The WIMU (Washington-Idaho-Montana-Utah) Veterinary Education Program provides Idaho students with access to veterinary medical education through a cooperative agreement between the University of Idaho, Montana State University, Utah State University, and Washington State University School of Veterinary Medicine. A total of 44 Idaho students can be enrolled in this four-year program, or 11 students per year. [Statutory Authority: Section 33-3720, Idaho Code]

**WWAMI MEDICAL EDUCATION:**

The WWAMI (Washington-Wyoming-Alaska-Montana-Idaho) Medical Education Program provides access to postgraduate medical education for Idaho students annually through a cooperative program at the University of Idaho with the University of Washington. A total of 160 Idaho students can be enrolled in this four-year program, or 40 students per year. [Statutory Authority: Section 33-3720, Idaho Code, et seq.]

**SPECIAL PROGRAMS**

**FOREST UTILIZATION RESEARCH:**

The Forest Utilization Research (FUR) Program is organized within the University of Idaho's College of Natural Resources. It works to increase the productivity of Idaho's forests by: (1) improving forest management, harvest, and regeneration practices; (2) improving wood use and wood residue utilization technologies; and (3) improving forest nursery management practices. FUR also includes the Policy Analysis Group, which provides timely, scientific, and objective data and analysis on resource and land use issues of interest to the people of Idaho. [Statutory Authority: Section 38-701, Idaho Code, et seq.]

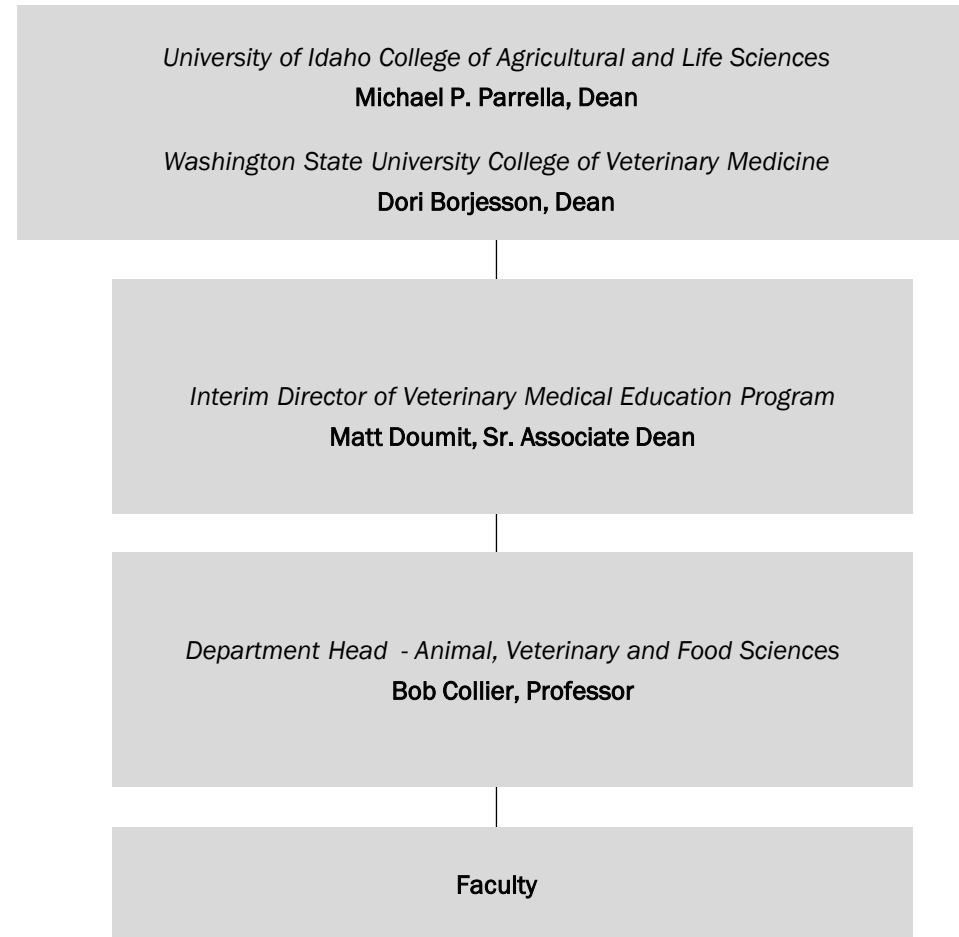

**IDAHO GEOLOGICAL SURVEY:**

The Idaho Geological Survey (IGS) is headquartered at the University of Idaho with branch offices at Idaho State University and Boise State

University. It is the lead state agency for the collection, analysis, and dissemination of all geologic and mineral based data for the state. The IGS accomplishes this mission through applied research and public service. [Statutory Authority: Section 47-201, Idaho Code, et seq.]

Sources and Uses:

Section 36-107(a), Idaho Code, provides that the State Controller shall transfer \$100,000 annually from the Fish and Game Account to the University of Idaho College of Agricultural and Life Sciences, Department of Animal and Veterinary Science for disease research.

These moneys are to be used for disease research projects pertaining to the interaction of disease between wildlife and domestic livestock. Eligible projects must be agreed upon by the WIMU Veterinary Education program and the state wildlife veterinarian.

**UNIVERSITY OF IDAHO:**

The University of Idaho, located in Moscow, is a high research activity, land-grant institution committed to undergraduate and graduate research education with extension services responsive to Idaho and the region's business and community needs. The university is also responsible for regional medical and veterinary education programs in which the state of Idaho participates. The University of Idaho emphasizes agriculture, natural resources, metallurgy, engineering, architecture, law, foreign languages, teacher preparation, and international programs.

**AGRICULTURAL RESEARCH & EXTENSION SERVICE:**

Agricultural Research and Cooperative Extension Service (ARES) scientists conduct research on the University of Idaho campus and at thirteen research and extension centers across the state to ensure that Idaho agriculture remains productive and profitable. Results of that research, as well as family and consumer services, are then delivered to the agricultural community and citizens of Idaho through extension offices located in 42 of Idaho's 44 counties. [Statutory Authority: Section 33-2908, Idaho Code, et seq.]

**HEALTH EDUCATION PROGRAMS**

**WIMU VETERINARY EDUCATION:**

The WIMU (Washington-Idaho-Montana-Utah) Veterinary Education Program provides Idaho students with access to veterinary medical education through a cooperative agreement between the University of Idaho, Montana State University, Utah State University, and Washington State University School of Veterinary Medicine. A total of 44 Idaho students can be enrolled in this four-year program, or 11 students per year. [Statutory Authority: Section 33-3720, Idaho Code]

**WWAMI MEDICAL EDUCATION:**

The WWAMI (Washington-Wyoming-Alaska-Montana-Idaho) Medical Education Program provides access to postgraduate medical education for Idaho students annually through a cooperative program at the University of Idaho with the University of Washington. A total of 160 Idaho students can be enrolled in this four-year program, or 40 students per year. [Statutory Authority: Section 33-3720, Idaho Code, et seq.]

**SPECIAL PROGRAMS**

**FOREST UTILIZATION RESEARCH:**

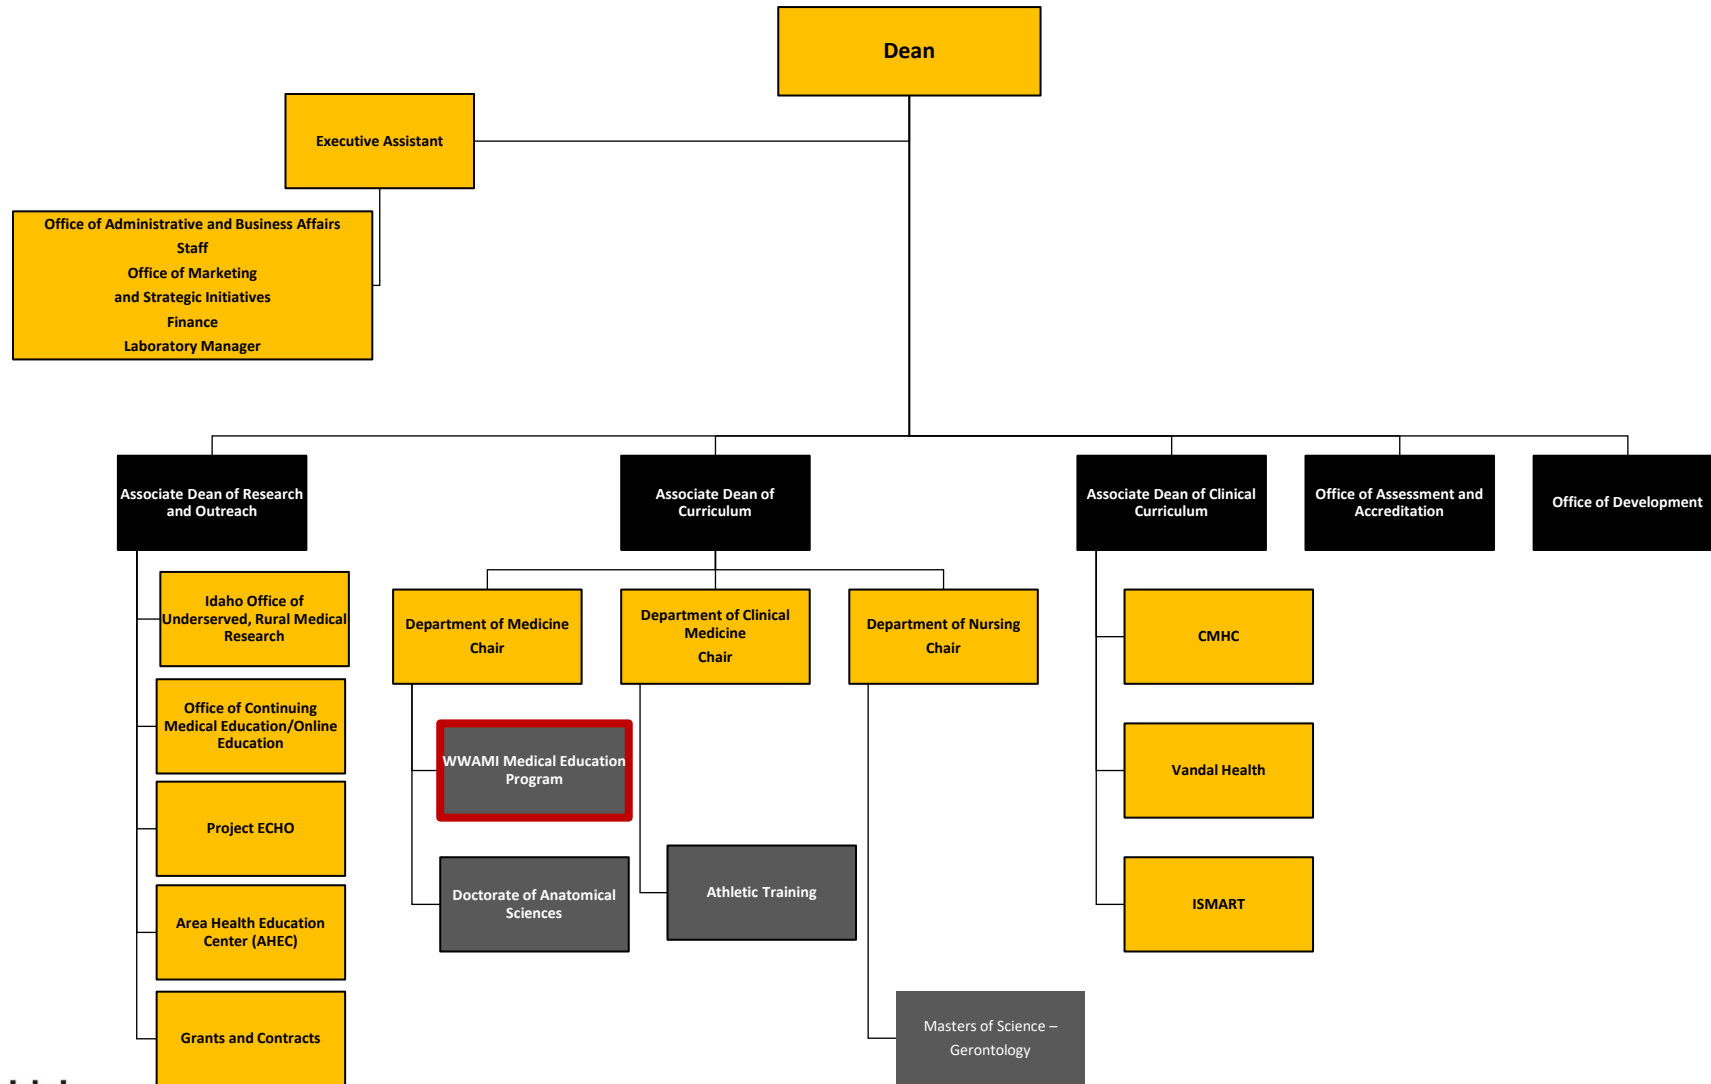

The Forest Utilization Research (FUR) Program is organized within the University of Idaho's College of Natural Resources. It works to increase the productivity of Idaho's forests by: (1) improving forest management, harvest, and regeneration practices; (2) improving wood use and wood residue utilization technologies; and (3) improving forest nursery management practices. FUR also includes the Policy Analysis Group, which provides timely, scientific, and objective data and analysis on resource and land use issues of interest to the people of Idaho. [Statutory Authority: Section 38-701, Idaho Code, et seq.]

**IDAHO GEOLOGICAL SURVEY:**

The Idaho Geological Survey (IGS) is headquartered at the University of Idaho with branch offices at Idaho State University and Boise State

University. It is the lead state agency for the collection, analysis, and dissemination of all geologic and mineral based data for the state. The IGS accomplishes this mission through applied research and public service. [Statutory Authority: Section 47-201, Idaho Code, et seq.]
